“ITALIANAS
AWAY OF
LIFE”

The Azimut Yachts way is knowing how to view the world from ever changing points of view; to seduce through ingenuity and beautiful lines: the ultimate expression of Italian Made excellence.

A MEGAYACHT MIND SET WITH THE TEMPERAMENT OF A SPORT YACHT

Azimut Grande 30 Metri perfectly incorporates the brand's finest ingredients, starting from the exterior profile. In keeping with the finest tradition at Azimut, this model remains graceful and sporty, but offers more volume and surface area than ever. The raised pilothouse provides more space at the main deck interior both in the generously sized saloon and especially in the owner's suite; the latter is located to the bow and enjoys panoramic views with full-height windows along the sides.

UNIQUE, JUST LIKE YOUR VIEW OF THE SEA.

The furnishings are unique items, designed and made to measure by expert craftsmen. Sinuous lines and forms enhance contrasting colours and textures, with a skilful contamination of woods to give the spaces in the Grande 30 Metri a uniquely contemporary feel. Salvagni's signature style involves harmoniously flowing lines, with some critics drawing comparisons to Italian Renaissance art, in an absolutely contemporary interpretation: "the new Italian Renaissance".

CALM FOR THE MIND, PLEASURE FOR THE EYE

Moving from the cockpit to the saloon, you find an expansive sophisticated space, seamlessly connected to the exterior. The light that filters through the full-height wood Venetian blinds sculpts the ceiling and door shapes in mahogany, leather, and grey oak.

Regulations UNI ISO 8666

The levels of performance described apply to a standard craft (with standard equipment installed) with clean hull, propeller and rudders. Moreover, it is specified that such levels of performance were achieved under favourable sea and wind conditions (1 on the Beaufort scale and 1 on the Douglas scale); in the case of diverse or less favourable sea conditions performance levels may vary considerably.

EC Approved

Owing to constant technological developments, Azimut-Benetti S.p.A. reserves the right to modify the technical specifications of its boats at any time and without prior notice.

A pioneering privately owned company

When you choose an Azimut Grande, you become a player in an all-Italian story, the story of a shipyard with a prestigious past, a rock solid company with an image of success which gives luxury yachts an added value that lasts over time. It is a large family business that builds boats and blends fanatical attention to detail and superb Italian creativity with constant technological development. With a vast distribution network spread over the five continents, Azimut Yachts is the symbol of the very best of "Made in Italy" throughout the world. The true leader in the manufacture of luxury yachts where unparalleled style merges seamlessly with innovation.

This brochure in no way constitutes a contract of sale for the boatyard's vessels to any person or company. All information contained herein, including but not limited to technical and performance data, illustrations, and drawings, is non-binding and for purposes of illustration only. The information in this brochure refers to the boatyard's standard motoryacht models available as of the date of publication. Technical and descriptive information is valid only to the extent that it pertains to the specific vessel that is the subject of a purchase. Contract terms are valid only to the extent that they are contained in a contract of sale. This document is based on information available at the time of publication. Despite efforts to ensure the greatest possible accuracy, the information contained herein may fail to cover all details, omit technical or commercial changes that may have been made subsequent to publication, describe features that are not present, and fail to envisage all circumstances that might occur. Any illustrations, photographs, diagrams and examples shown in this brochure are included solely for the purposes of illustrating the text. Due to the different features of each vessel, the boatyard assumes no liability for actual use based on the illustrated applications.
